

I am writing in reference to the fact that I am against the proposed expansion of Low Power FM (LPFM). My reasons are: 1) LPFM should not be allowed to take priority over current FM TRANSULATOR SERVICE. Specifically I am writing to express how the following stations K-Love 104.3, 96.9 , 102.3 FM stations are a very positive credit to our community. The effect on our community if K-Love were displaced by an LPFM broadcaster providing other programming would be devastating to the stability of our community. The service provided by K\_LOVE is uplifting to our community and promotes the positive side of humanity. I and my family are residents of this community and we would be lost without K-LOVE. Thank you.
